# Technical Specifications & Installation

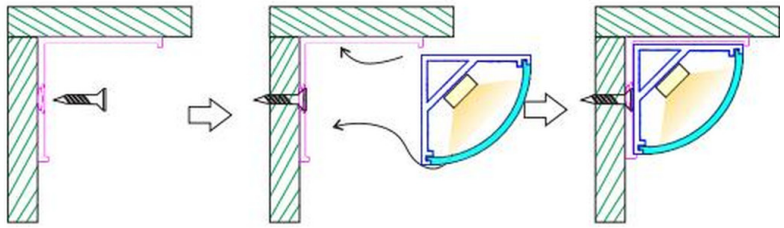

## PRODUCT OVERVIEW

The 003 is a corner-mounted aluminum profile for wall and ceiling corners. It houses one line of LED strip on an angled 45° face and spreads it into a uniform, linear light behind a frosted PC cover. Runs can turn inside and outside corners or continue in a straight line using connectors.

## TECHNICAL SPECIFICATIONS

| | | | |
|---|---|---|---|
| Body Material | T5 anodized aluminum | LED Strip | 1 line (recommended) |
| Finish | Silver or Black | Standard Length | 3 m |
| Diffuser | Frosted PC (included) | Mounting | Surface, corner, with clips |
